Code Club Quiz

- Can you draw a square?

Can you draw a square?

A collection of Scratch blocks arranged on a grid background, intended for creating a square-drawing script. The blocks are organized into two columns. The left column contains: a yellow 'stop' block with a dropdown menu set to 'all'; a green 'pen down' block with a pen icon; a green 'erase all' block with a pen icon; a blue 'go to x: 0 y: 0' block; and a yellow 'when green flag clicked' block. The right column contains: an orange 'repeat' block with a count of 4 and a loop icon; a blue 'turn 90 degrees' block with a counter-clockwise arrow icon; a blue 'move 100 steps' block; and a blue 'point in direction 90' block.

stop all

pen down

erase all

go to x: 0 y: 0

when green flag clicked

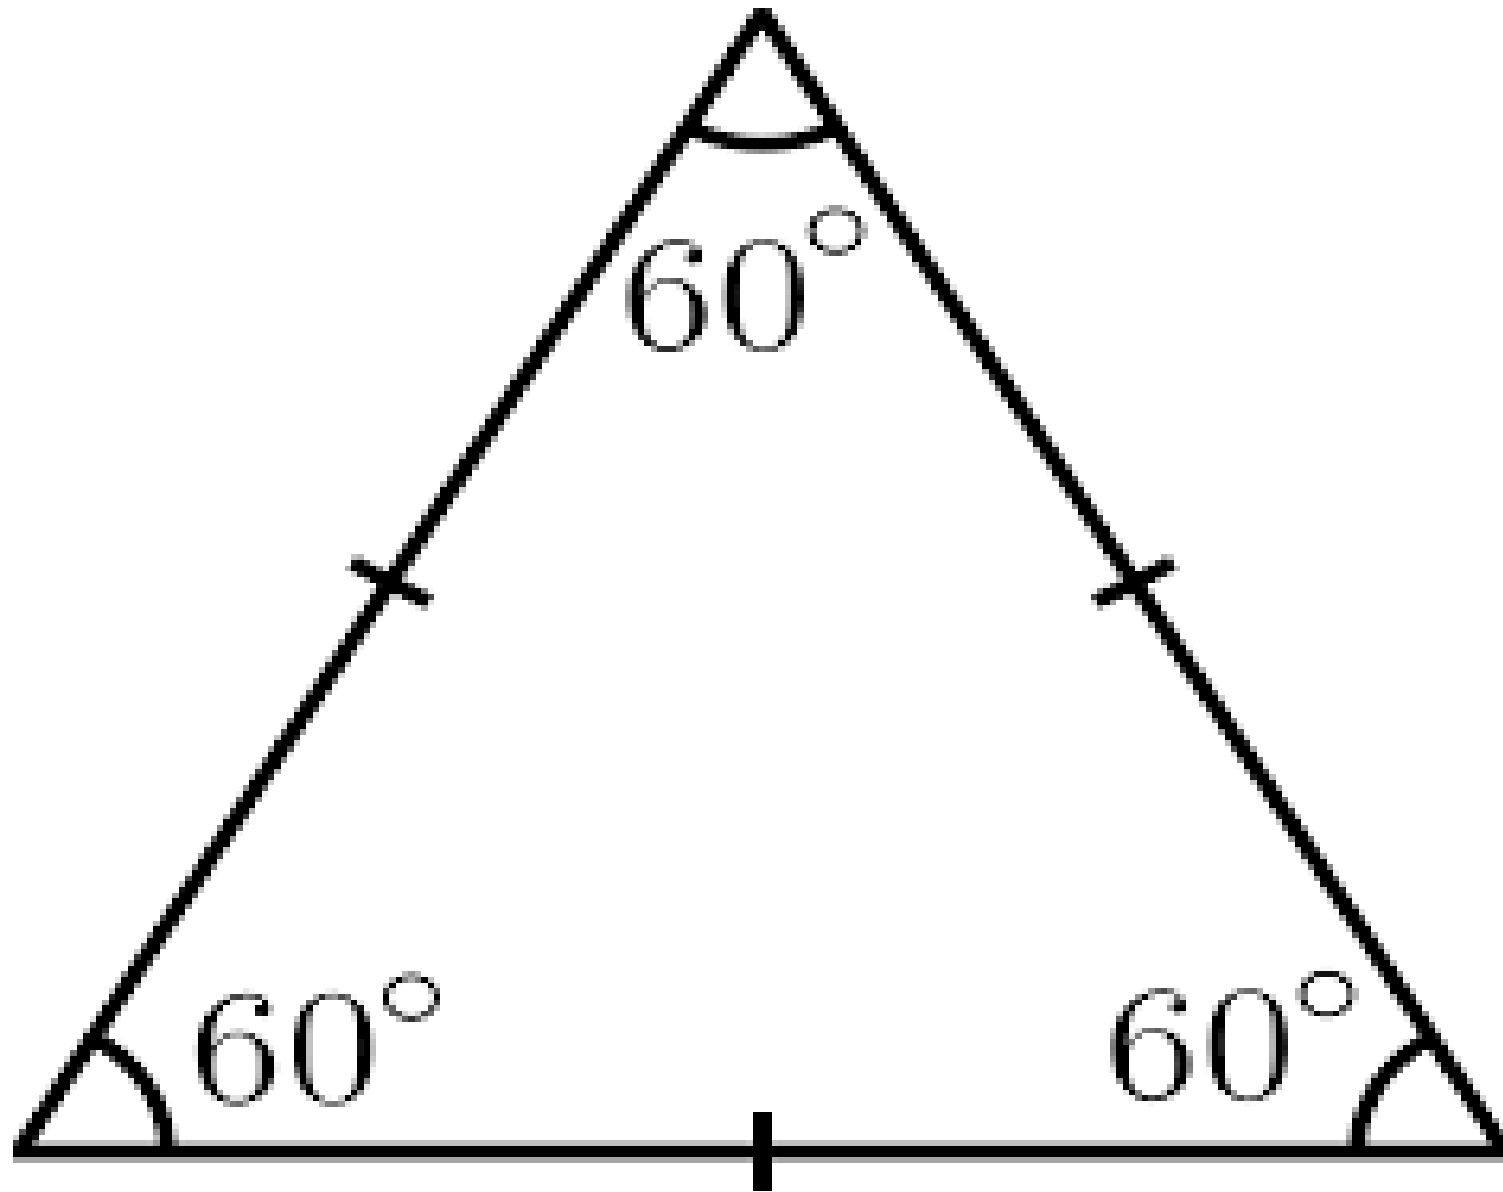

repeat 4

turn 90 degrees

move 100 steps

point in direction 90

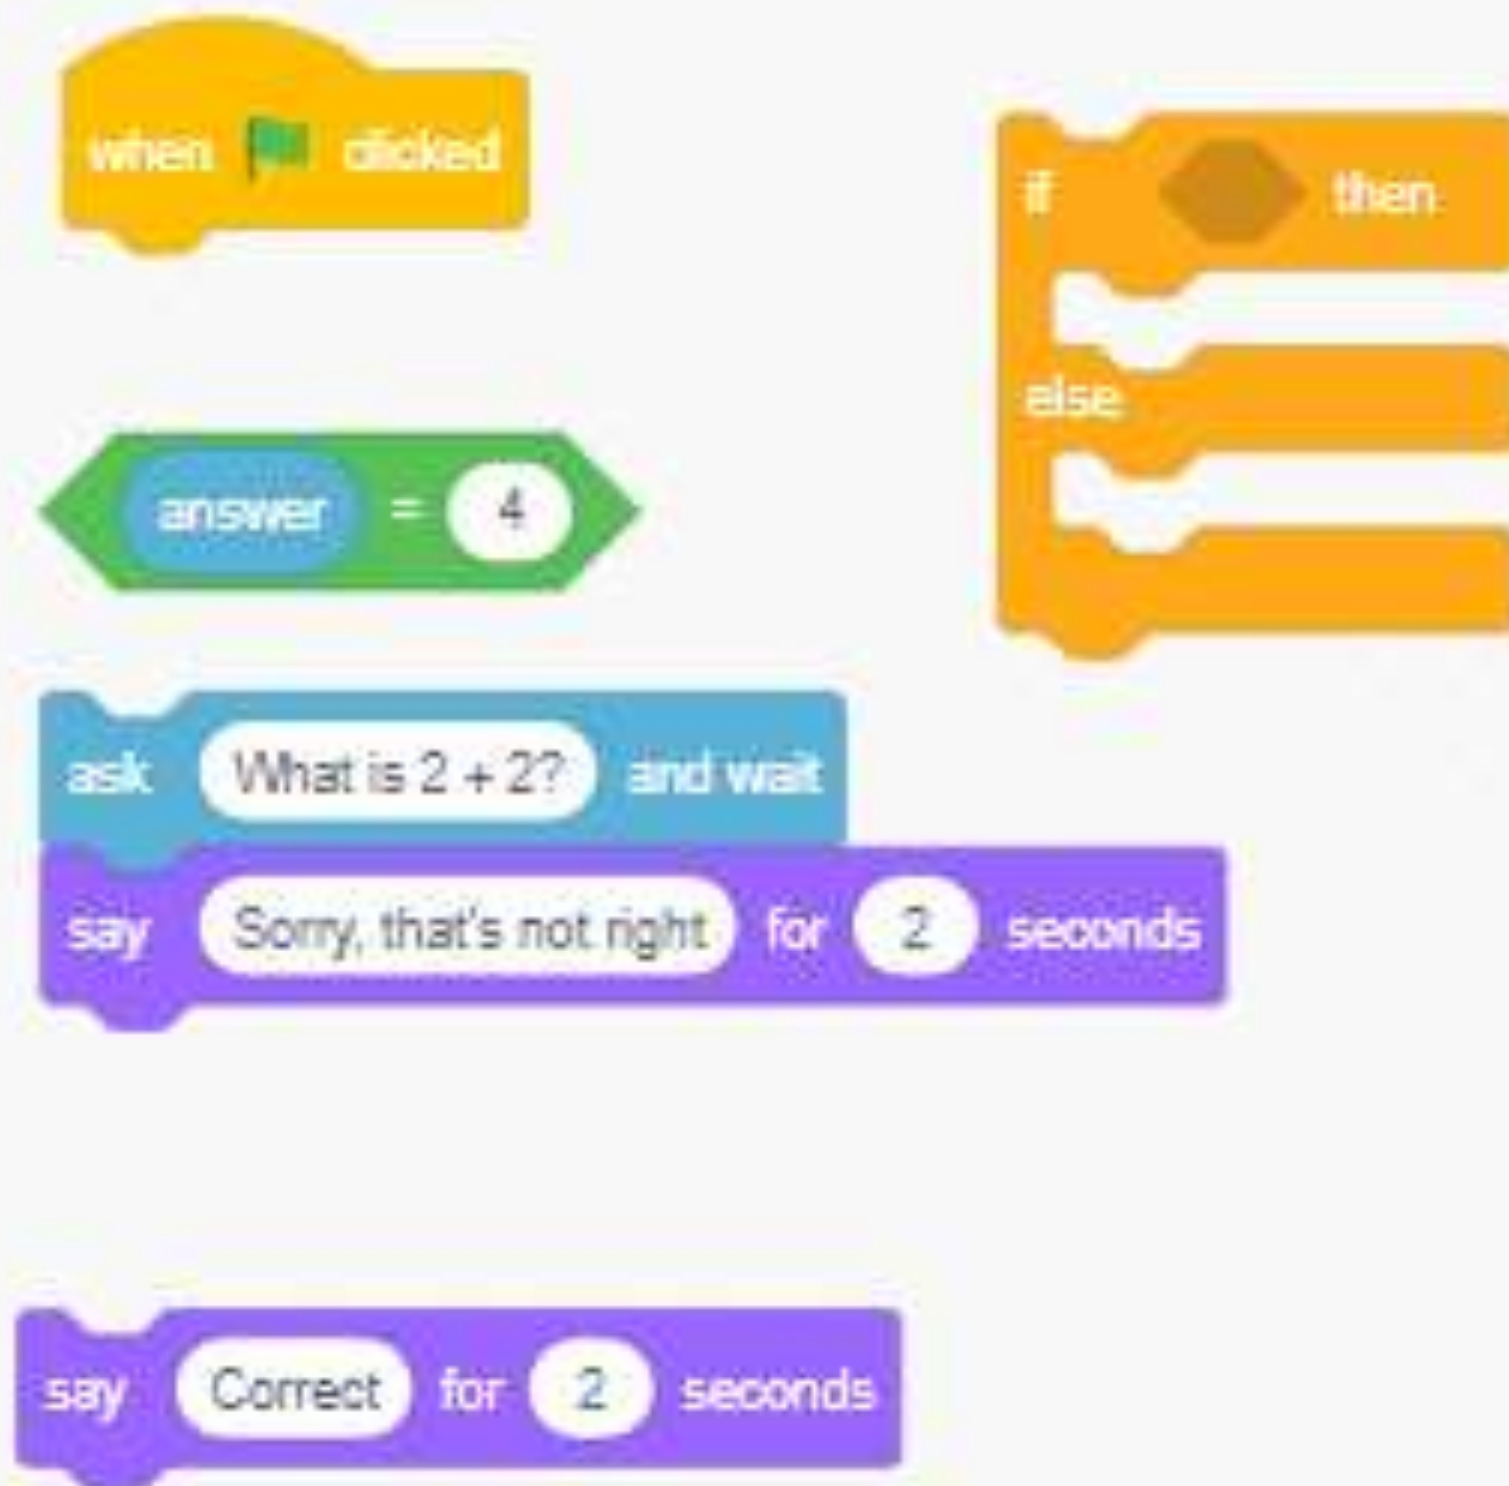

Can you a triangle?

Scratch Challenge - Quiz

- Can you create a simple quiz?
- .. Ask $2 + 2$
- .. Tell the user if they have got it right

Scratch Challenge - Quiz

Put the blocks in the correct order to create a simple quiz
